

## HOW TO KEEP YOUR HEALING

Each one of us must understand how to receive healing and keep it. When we understand God's Word on healing and act on it, it brings forth a manifestation of healing in our physical bodies. Our goal is to receive the manifestation of healing and give our heavenly Father the glory for what Jesus has done for us.

Sickness is the result of oppression of the devil.

Acts 10:38 says "...and Jesus went about doing good, and healing all who were oppressed by the devil; for God was with Him."

The devil inflicts us with sickness and doesn't like it when God's Word brings healing and destroys his work. The devil tries to re-establish sickness by stealing the truth of the Word from us. In Matthew 13:19 it says, "When anyone hears the Word of the Kingdom, and does not understand it, the devil comes and snatches away what has been sown in their heart. This is the one on whom the seed was sown beside the road."

The enemy wants to steal the Word before it can become firmly rooted in us to produce the healing. The devil knows that the Word of God is more powerful than his work, i.e.: sickness, so he must try and cut off the Word in us before it gets rooted. Only seed that is rooted can produce a harvest.

When you believe the Word for your healing, have prayer and you receive your healing, the devil will try to inflict those same symptoms on you again. He tries to convince us that we aren't really healed. We are called to stand on the Word of God, and not waiver; to cast down any thoughts that do not line up with what God says about your healing. The devil, satan, is the father of lies; if he speaks to you anything that does not line up with the Word of God, remember he is a liar.

The Word of God is life to your very flesh. God sent forth His Word and healed you. Jesus healed all who came to Him. You have come to the Healer, Jesus Christ, and have been healed. God is faithful to His Word. Rejoice, again I say rejoice; for He that is Mighty has done great things and holy is His Name.
